1 Who can use it?

Just like an ordinary local bus service, it is available to all members of the public for any eligible journey.

The scheme will not convey school pupils whose journey purpose relates to attending Pitlochry High School, Breadalbane Academy or any local primary school at normal school start and finish times, including journeys feeding into existing school buses. No primary school age child is permitted to travel alone without adult accompaniment.

2 How do I book it?

Phone one of the taxi/PHC operators at least 24 hours prior to your journey (every effort will be made to accommodate passengers making bookings at shorter notice).

You will need to state when you want to travel, where you are going to and from, journey purpose and a contact phone number.

If you have a fixed appointment you can book your journey up to four weeks in advance of the date of travel.

3 Where can I use the Service?

DRT2 will operate between any two points within the Service area - see map on page 4.

No journey can be made wholly within the restricted area of Kinloch Rannoch on - see map on page 5.

4 When is the Service available?

DRT2 will operate Monday to Saturday between 7.00 am and 10.00 pm. There is no Service on a Sunday or 24, 25, 26 and 31 December or 1-2 January in any year.

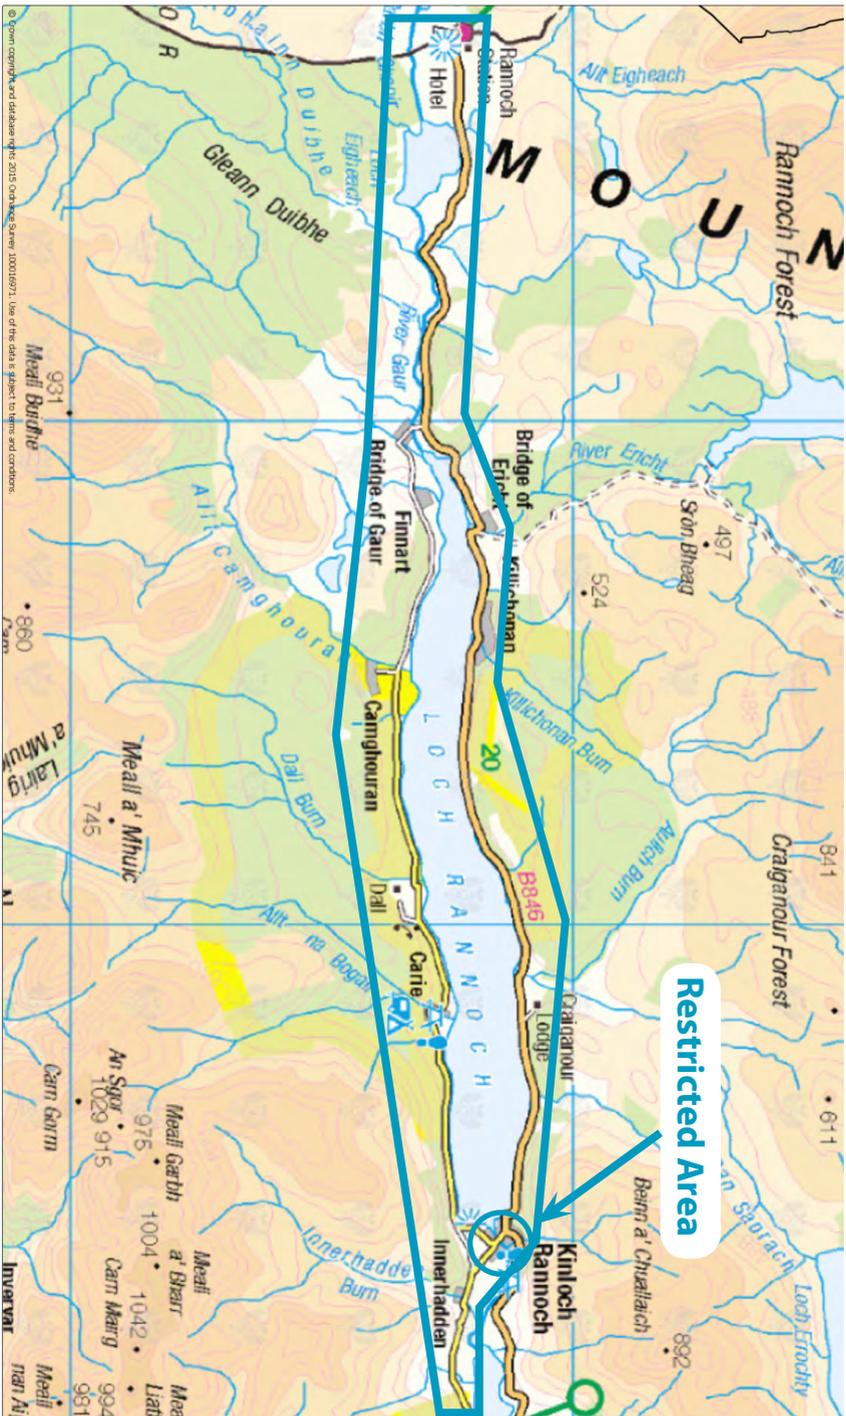

There will be a reduced level of availability during schooldays between 7.30 am - 9.00 am and 3.00 pm - 4.30 pm.

5 Will it pick me up from my house?

DRT2 will only operate on the public highway and will not travel on private roads. At the time of booking the exact pick-up point and destination should be agreed with the operator.
